Chapter 94
HYPER LIGHTNING!
THE LAND BURNS!
THE MOMENT OF THE FINAL BATTLE ARRIVED, IN THE SKIES OF THE LARGEST RESIDENTIAL ZONE OF THE CAPITAL WHERE THEY FIND A LOT OF SKYSCRAPERS...
Guyver Advocacy

YOU, PURGSTALL!
!!

ITS FIN-ISHED!
Bu... But, Aso Senpai...

Not to worry you, Tokiwa-daira...

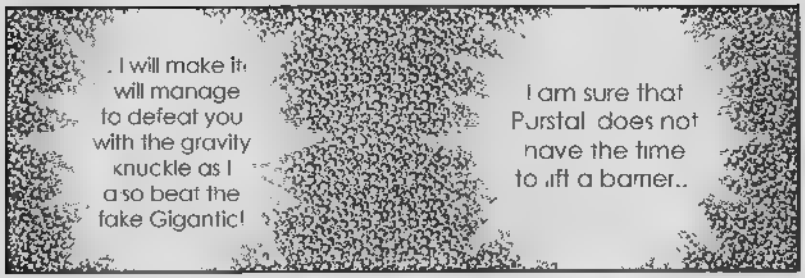
What really...
... If we should die, we will not hear any-thing...
... If we take the full blast of that attack, We'd surely be reduced to ash...

It uses the thunder working in the at-mosphere... But are all of the zoalords provided with an ability of this type?

BEFORE I"D ALLOW HIM TO TOUCH ME...
That impertinent upstart!
He believes he is able to approach me so easily?
... I WILL MAKE HIM FALL!

The motions of the Gigantic are slightly more rapid then those of the hostile lightning bolt.
SHO FUKA-MACHI!
Likely it has intention to fight face to face.

That boy 's insane...
It seems that he has already figured out that Purgstall is weak in the face to face fights
How would he know that..
It could just be that he is acting rash .



I am sure that Purstal does not nave the time to .ift a barrier..
. I will make it will manage to defeat you with the gravity knuckle as I a so beat the fake Gigantic!

This is the final blow...
PURGSTALL!

I HAVE WON!

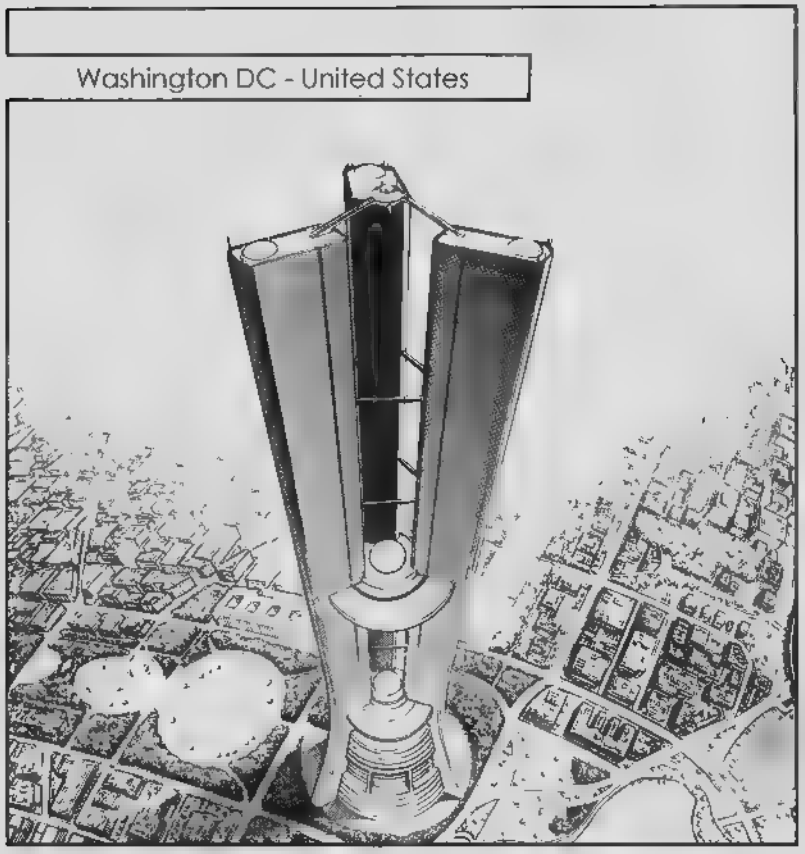
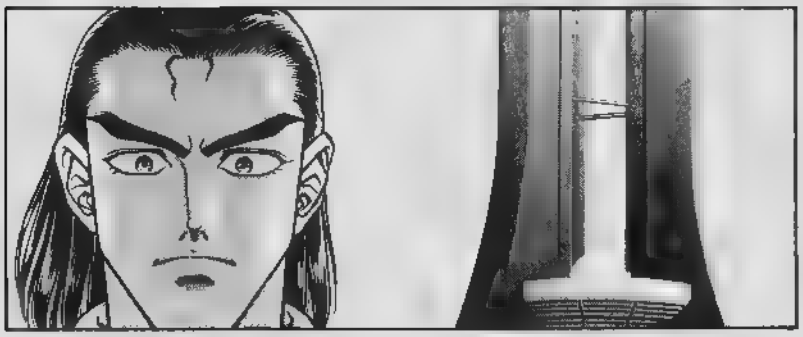
Washington DC - United States





Some thing hap pened to Sho?

But then .

A l'ght ning bolt must have fallen

Th's wi have damaged the electronic workings of the te evis'on

We're stuck here in a position where we know noth ing

We do not know for sure

. . .

SHO!

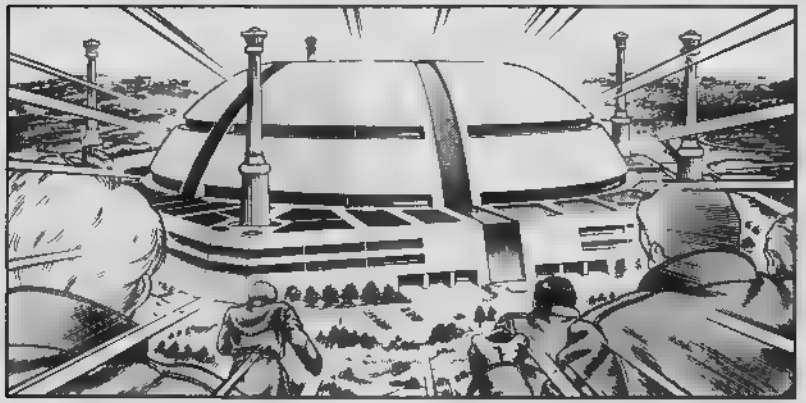
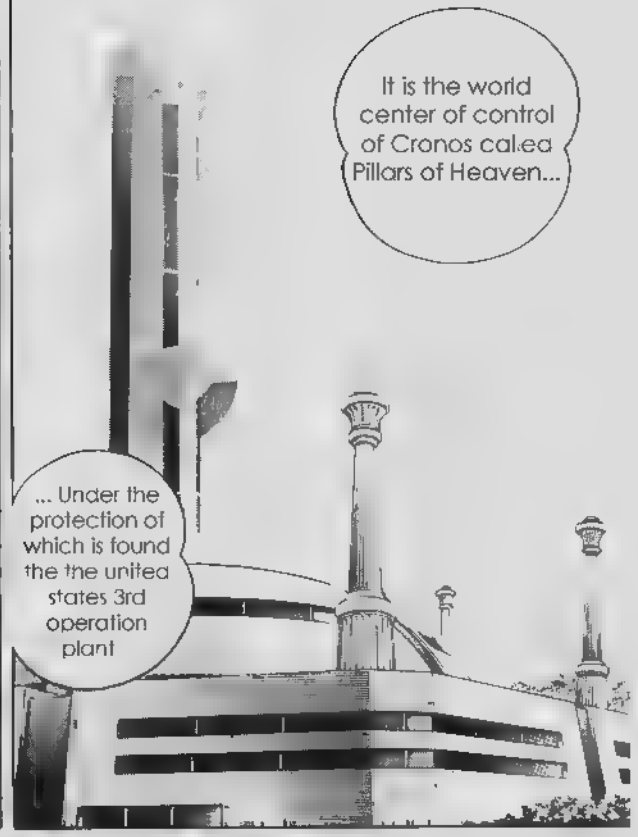
USA 3rd Operation Plant - Washington
Guyver Advocacy

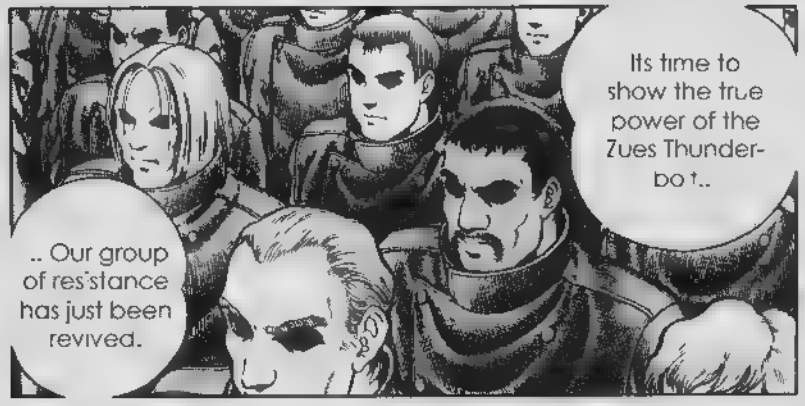
GO!



The objective of this operation today is to ruin this institute



It is the world center of control of Cronos called Pillars of Heaven...
... Under the protection of which is found the the united states 3rd operation plant



.. Our group of resistance has just been revived.
Its time to show the true power of the Zues Thunderbolt..

You are without weapons?
do not know what intentions you have, but
... ITS NOW TIME TO DIE!
WH... WHAT?

Emergency The squad of zoanoid you are to get ready to counterattack!
IT IS AN ATTACK OF THE RESIS-TANCE!

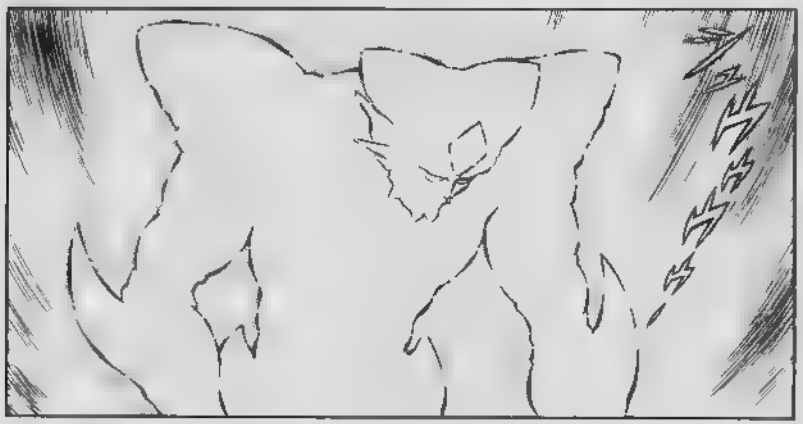
!?
GUH...
But...

They are not human!

Then it was Purgstall's intention from the beginning to involve the surroundings??
Tsk ..
.. The land is dissolved as if it was magma

Park City - Akarigaoka - Tokyo

There is someone there?
!!



Guyver Advocacy

Uhm Friedrich is healthy and safe..
THEN HE IS ALIVE!
In the moment in which Gigantic had approached, he made the lightning bolt strike on the same spot...
However He dev'sed a fine trick, no?
look and learn.
It seems to me that it does not die so easily.
Gigantic could not resist for long at a
. But if Gigantic is dead, we have had a wasted journey...

PURGSTALL!

NOW I WILL FREE YOU FROM YOUR SUFFERING, GUYVER GIGANTIC!
But in this condition you are not able to even use the barrier, is that not so?

!!

They don t call you G'gant'c for noth ing
Oh Then you are st'l a've?

!!
But I will defeat him right now
You disappoint me, Sho Fuka mach*
I CANNOT ALLOW IT!
An imperfect zoanoid like you, you dare to talk to me so?
IT'S NOT WORTH THE COST OF YOUR LIFE!
LEAVE IT TO ME TO DEFEAT HIM!
W.. wait, Aptom.
SHO?

URGH!
What the devil is this?
The same goes for you also... . You are also injured, eh?
APTOM ?!

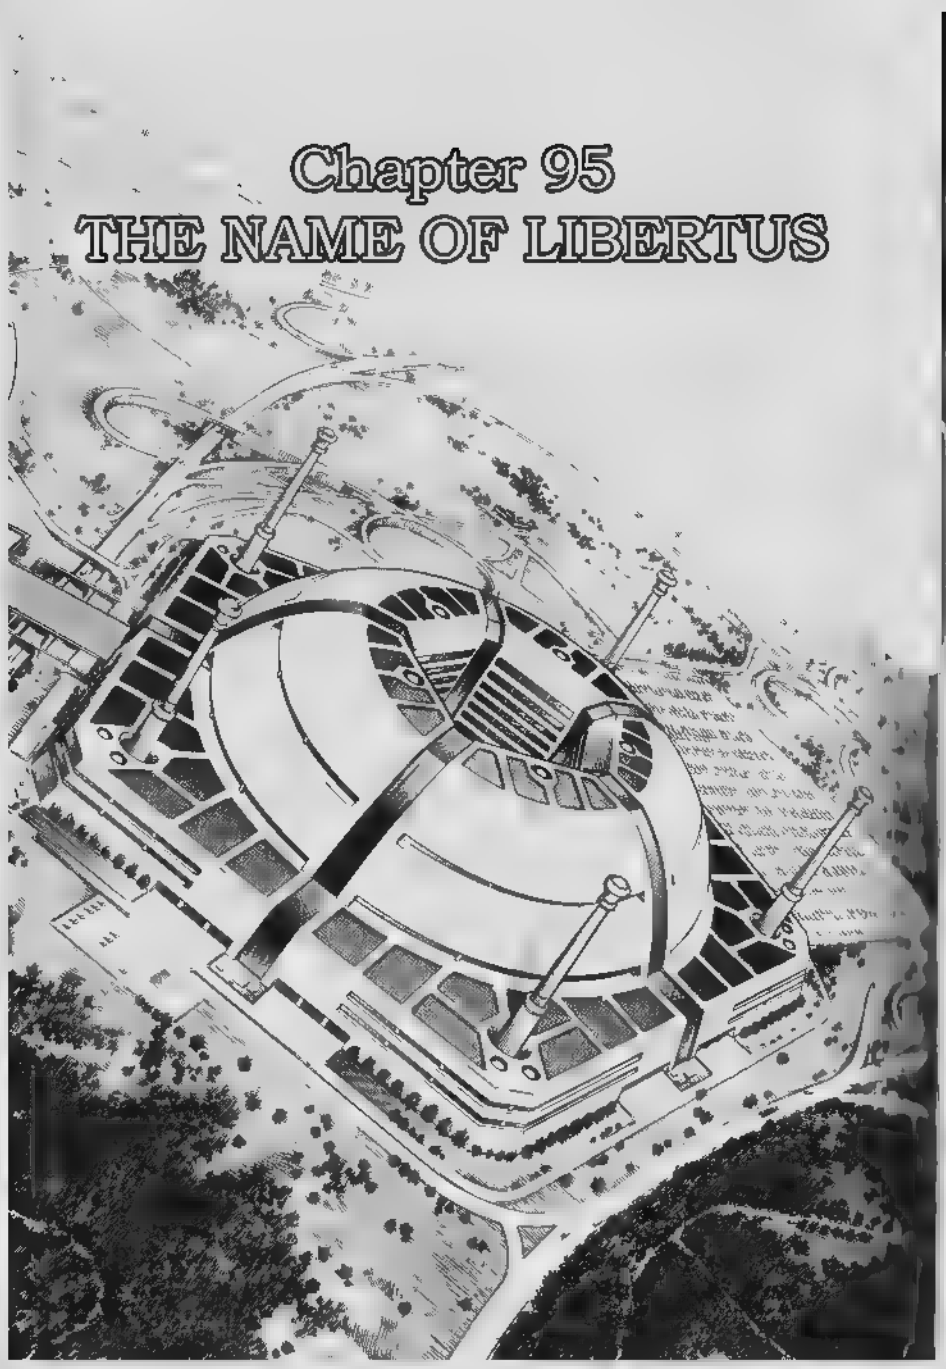
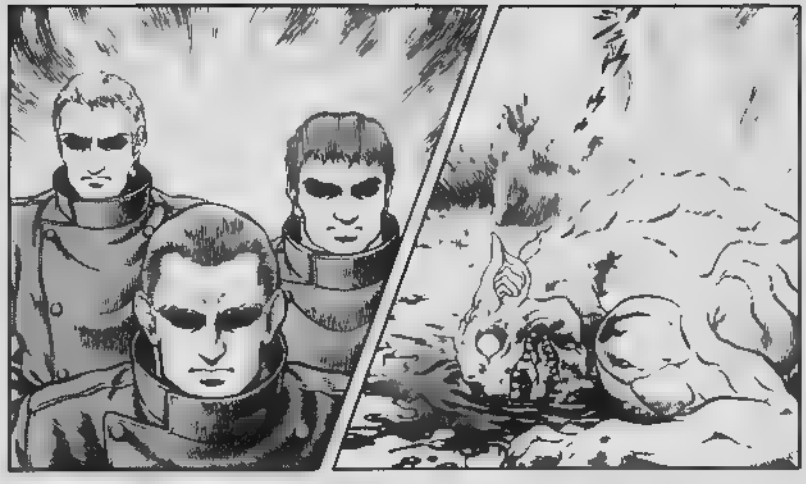
Chapter 95
THE NAME OF LIBERTUS



Guyver Advocacy

Zo..
Zoano.ds?

... We are Free from the authority of your con-trol.ers!
We are the Libertus. .



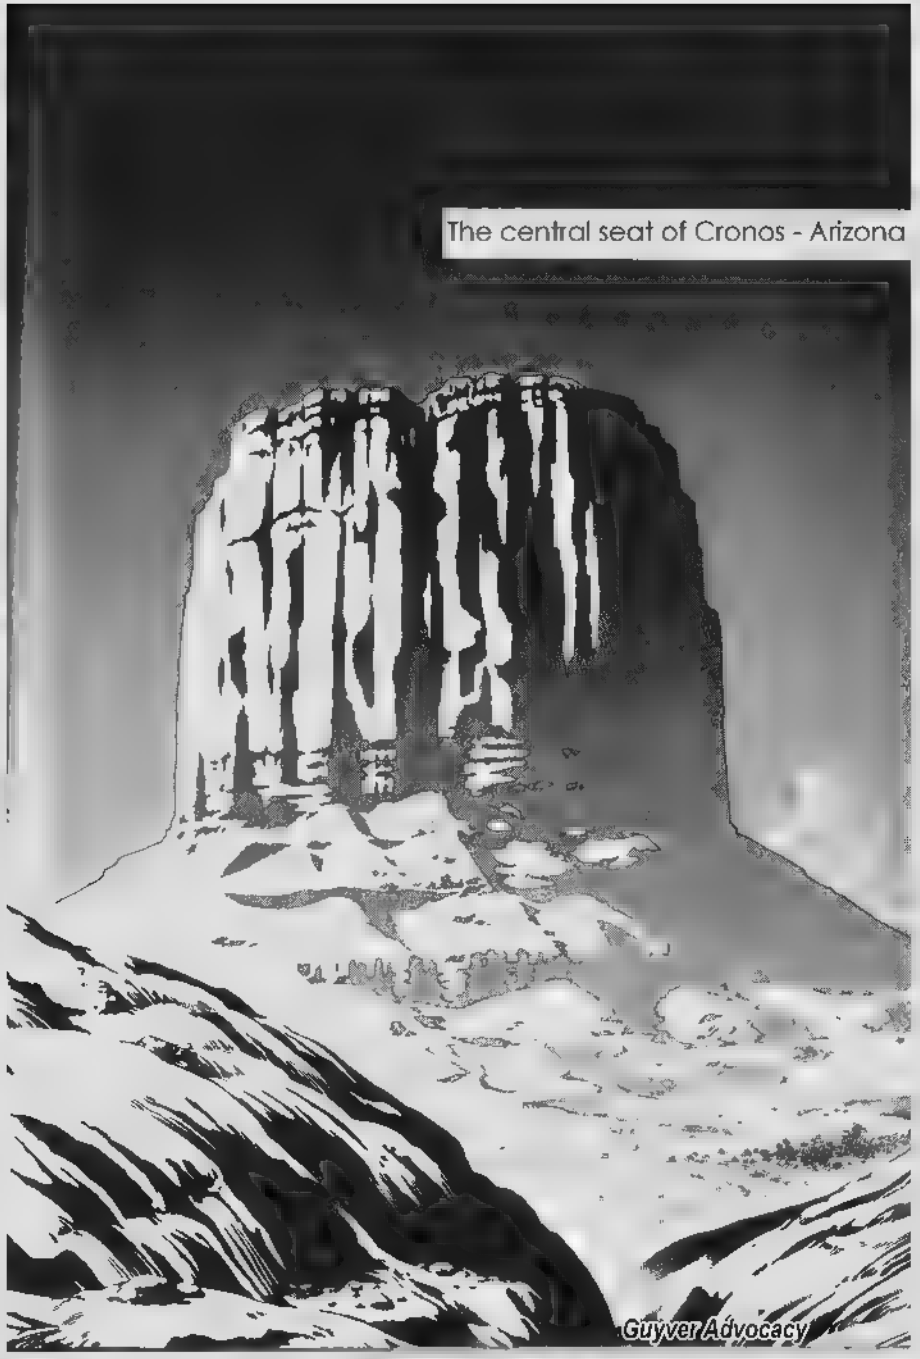
...
Who the devil are they?.
But ..

... And they destroyed it entirely?
So Zues Thunderbo t has attacked the operat on plant of Washington

... GIGANTIC DARK!
Cursed Agito Makishi-ma. .

... The Gigantic Dark still has not been seen...
But...

Shin, the com- mander of Washington, just left for Japan.

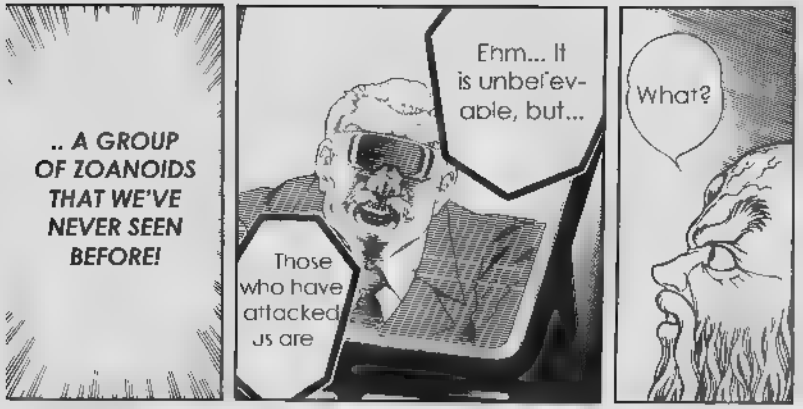


The central seat of Cronos - Arizona
Guyver Advocacy

But It is not pos sib e

I am the only person who can develop these cre-ations in the ent re wor d but
Then Zeus Thunderbolt developed these zo-ano as?

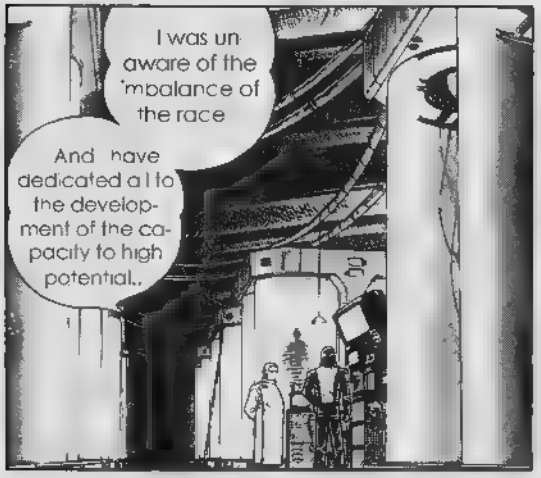
Doctor Alfredo Hekkaring!
Hekkaring!
On this planet there is one other person in a position to do similar work, besides me



.. A GROUP OF ZOANOIDS THAT WE'VE NEVER SEEN BEFORE!
Those who have attacked us are
Ehm... It is unbel ev-able, but...
What?

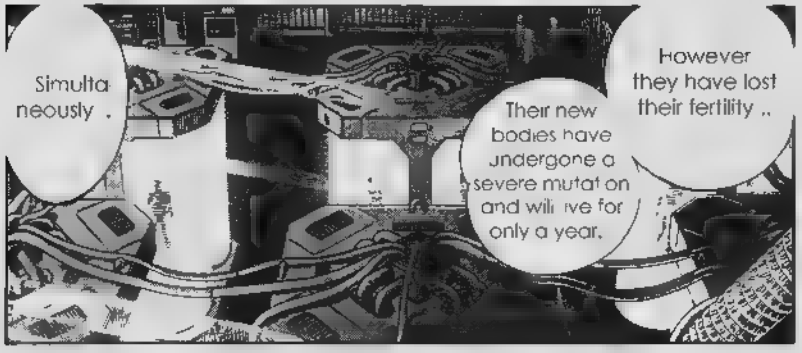
!!
Guyver Advocacy

The combative power of the Libertus is really considerable
Developed to be stronger then that of the Hyper zoanoids..

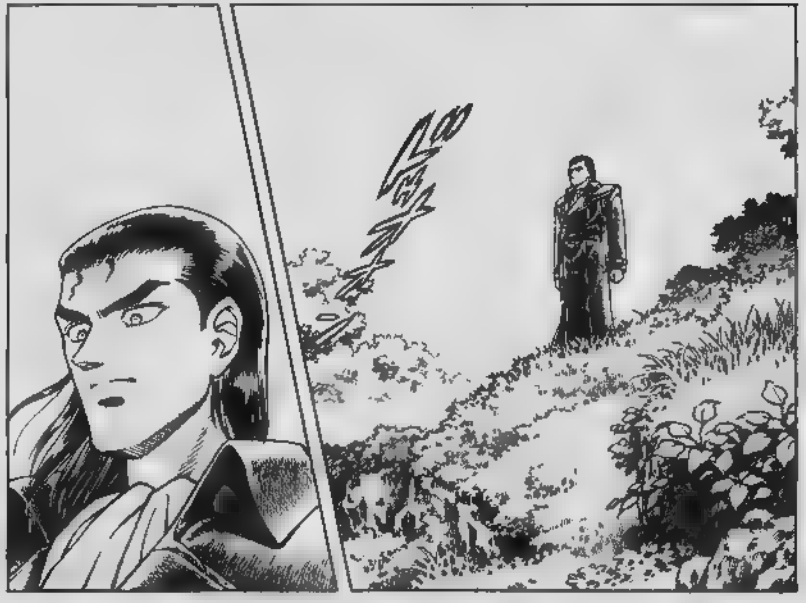


I was unaware of the imbalance of the race
And have dedicated all to the development of the capacity to high potential..

The more simple zoanoid absolutely cannot compete with them.



Simultaneously .
Their new bodies have undergone a severe mutation and will live for only a year.
However they have lost their fertility ..



I KNOW IT..
Now we wi l make work the full system of amplification from the emissions of the central seat in Arizona, and we will also em't my mental waves

Even a simple human being is not able to resist kneeling before me when they receive these waves

... THEY WILL SURELY STILL FEEL THE EFFECT!
SO, EVEN IF THEY ARE SOME KIND OF LOST NUMBER...

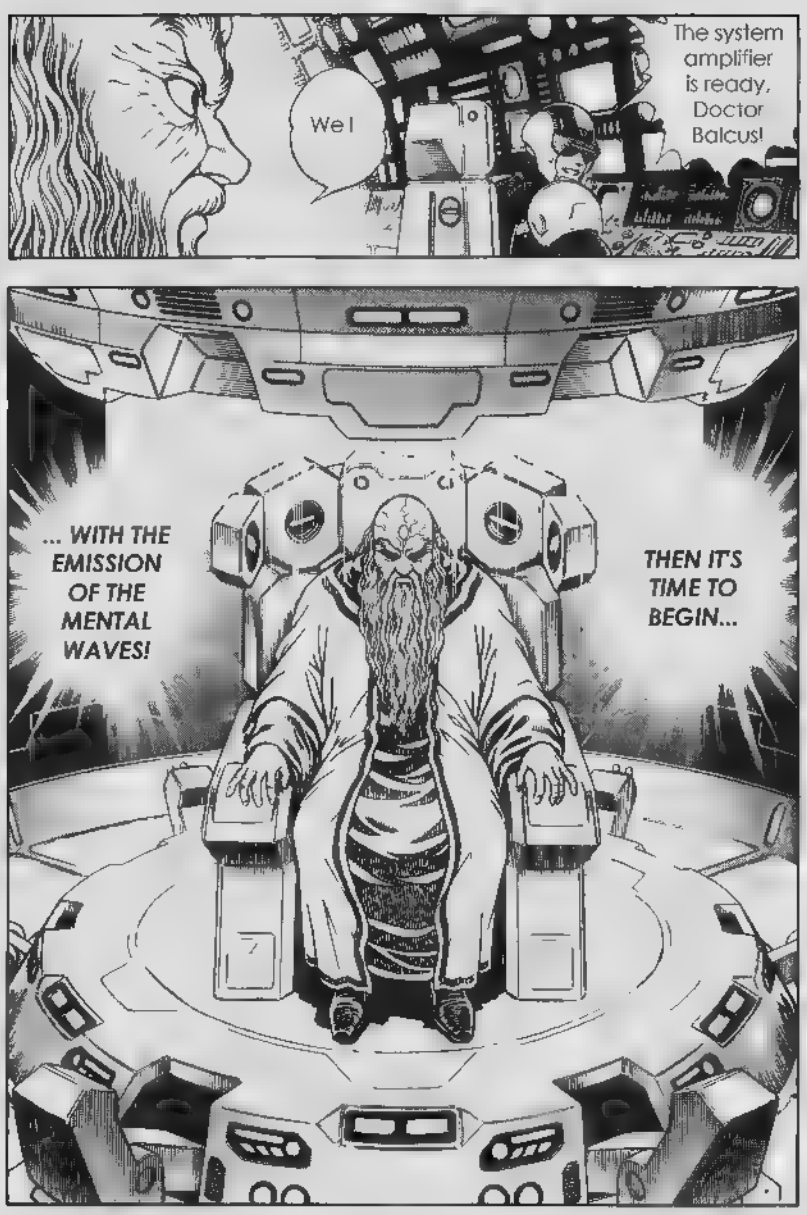
If the Pillars of Heaven receives my mental command at its great est strength, surely I will be in a position to stop them in their tracks.

This 's an inaispensab e e ement
Seeing as Zues Thunderbolt is an organization with the intention of opposing Cronos

.. Like the Lost Numbers...
They have the feature of being resistant to the mental command of the zoalords .

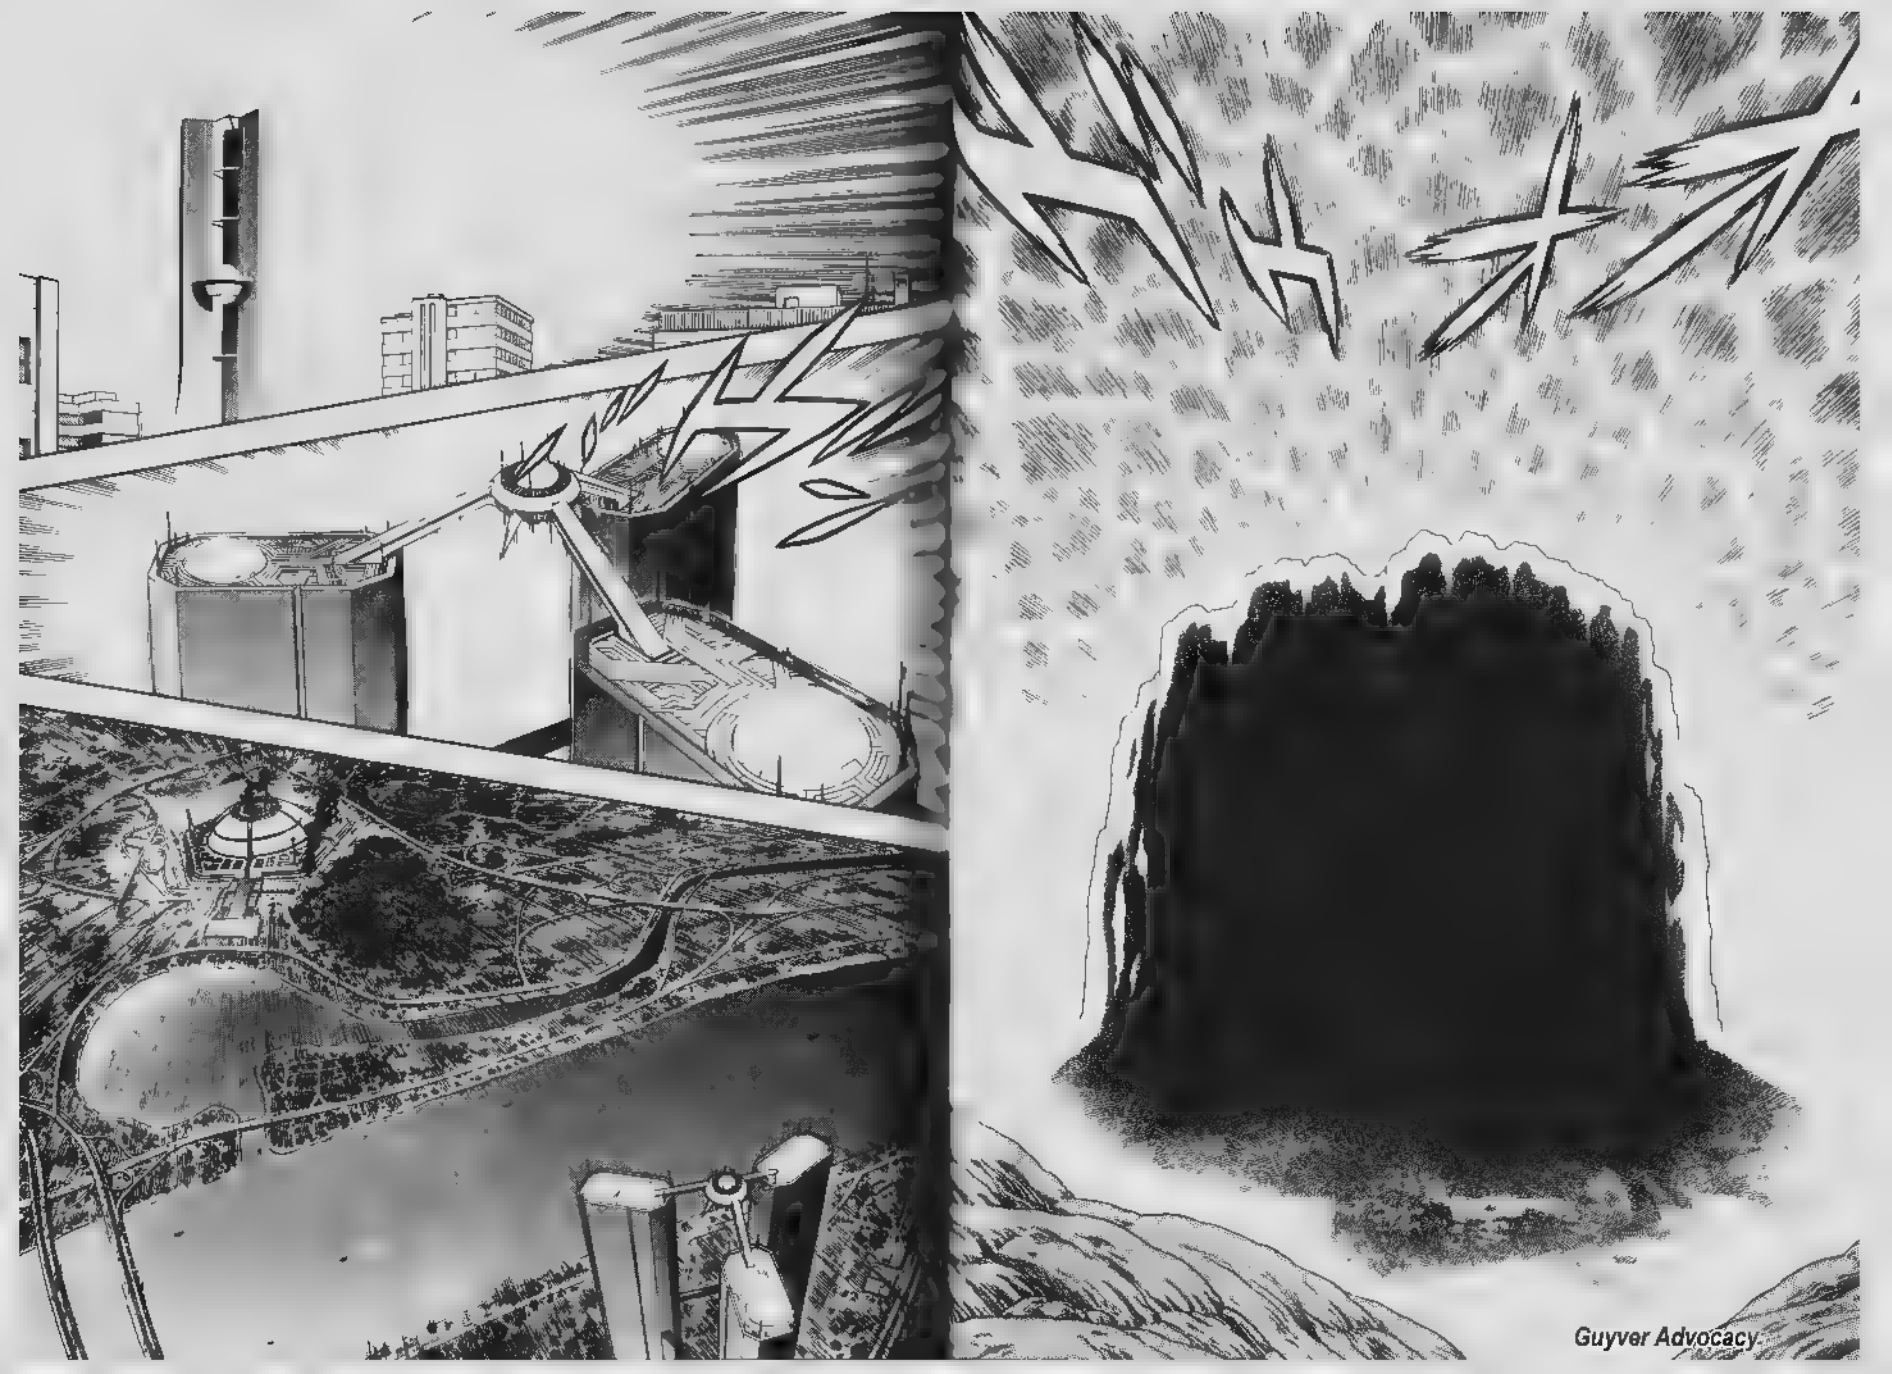
But, for the moment it is still not possible to avoid an eventua control when facea with all twelve lords .

DOCTOR BALCUS PLEASE GOD HELP US, I BEG OF YOU!
IF THIS CONTIN- UES WE'LL BE DE- STROYED...



Wel
The system amplifier is ready, Doctor Balcus!
... WITH THE EMISSION OF THE MENTAL WAVES!
THEN IT'S TIME TO BEGIN...

Psychowave generator in the lowest level of the central seat
Psychowave rad ator on the roof of the central seat
LEVEL SEVEN!
LEVEL SIX!
WAVE AMPLIFI-CATION NOW AT LEVEL FIVE!

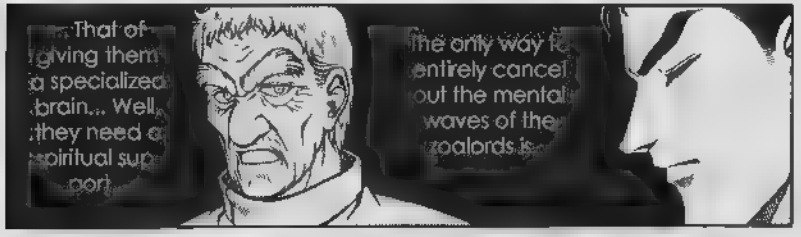


Guyver Advocacy

THANKS TO MY MENTAL WAVES YOU WILL NOT BE ABLE TO COMMIT ANY-MORE VIOLENCE!
YOU REMAIN, RELUCTANT OF MY COM-MAND!

.....
YOU WILL KNEEL!
I SAID YOU MUST KNEEL!
DID YOU HEAR ME?

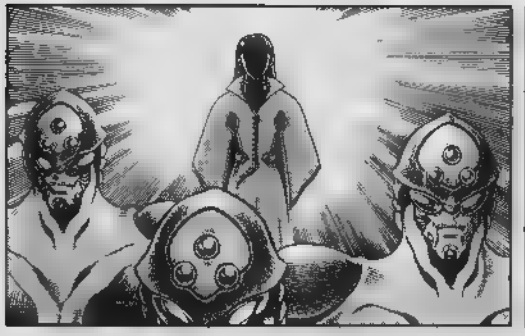
OH . DOCTOR BA.CJS.
!?
!!



That of giving them a specialized brain... Well, they need a spiritual support
The only way to entirely cancel out the mental waves of the zoalords is

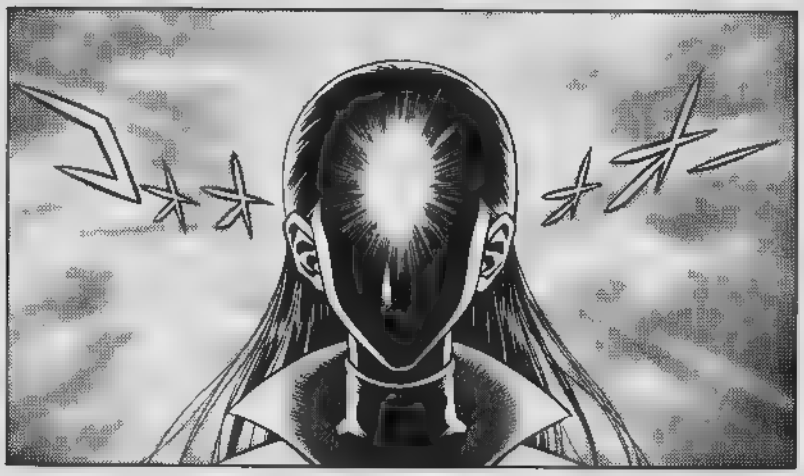
require a presence more similar to them
But their specialized brain will not be commanded by you... It is not possible for the bio-armour Gigantic Dark!

... Also the Libertus need a leader submitted to development similar to their processing
It would be somewhat of a contradiction but
... Ideally like a relationship to that between zoalord and zoanoid



Uh?

W what?



TRANSFORMA-
TION!

But
listen
to me,
Agito
Actually
yes

It wou d
be able
to be
Grise aa?
This
leader

YOU ARE
SURE...
... YOU ARE
ABSOLUTELY
SURE THAT I
CAN PUT HER
THROUGH
PROCESS-
ING?

COMPLICATED INTENTION

Park City - Akarigaoka - Tokyo
Guyver Advocacy

...
ANOTHER HAS AP-PEARED...

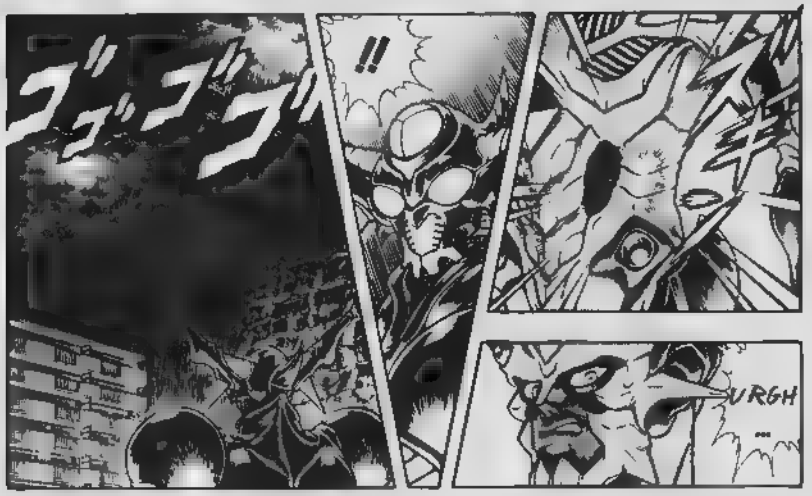
n this condi tion you are not ab e to demon strate even ha f of your ab'lity
Now that : th'nk about it . You can go for it again!
Ta K IS cheap, Sho...

. Because of the fall of the lightning bolt, a crater's been created in the Park city centre
ncrea-ble.
Wouldn t t be better f we moved on senpa
Are you stupid? You think we've already seen the outcome here? How would I be ab e to move on without knowing how this ends?
And more to the point in a moment like this it is better not to move at all

Be sides. .
No Not yet they are sti both a ive
WHA... THE BATTLE HAS NOT ENDED?

GRRR-H-H-
DO NOT INTERFERE, APTOM!
AT LEAST I SHOULD BE ABLE TO BEAT HIM WITH MY BARE HANDS!
I AM NOT ABLE!
I WILL SHOW YOU MY TRUE ABLILITY!
IT GOES JUST AS PLANNED!
Do not underest-mate me
NOW YOU WILL PAY FOR YOUR ARRO-GANCE!

Guyver Advocacy

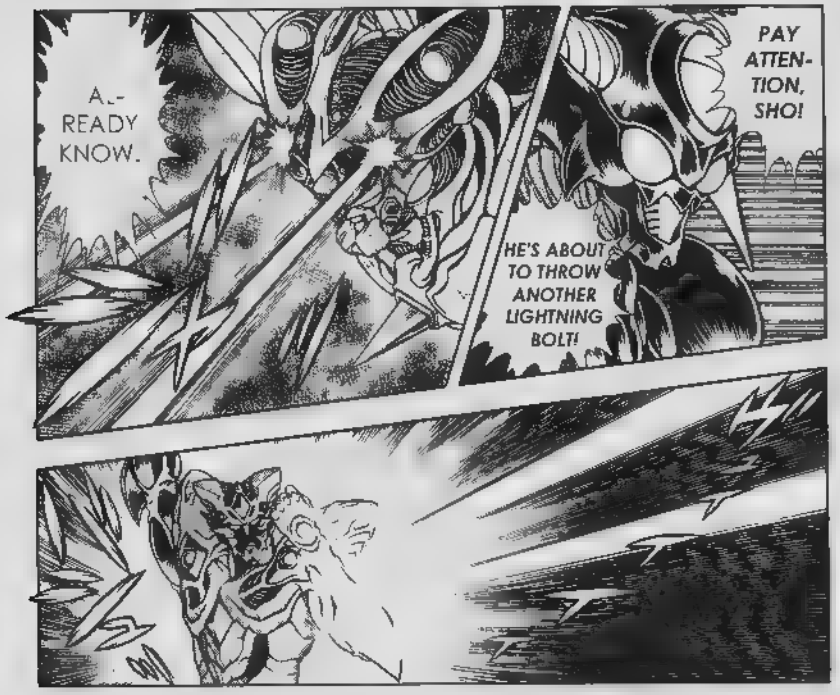


!!
URGH
...

You've been distracted!

Observing the situation it seems that our friend has the advantage ..
I wouldn't be so sure
In the moment in which Purgstall sent that bolt of lightning, the gravitational fist of the Gigantic hit his body
Perhaps you are too quick to favour him?
I believe that Purgstall has recieved some internal injuries
The power of the fist was halved given that the lightning bolt of Purgstall hit it simultaneously but a zoanoid would have been reduced to ash
effects

do not believe that he would manage to use the lightning bolt attack again and that was his winning card
He is hardly able to stand.
Then he.
But if it was possible .
.....
... OUR TIME HAS ALREADY COME...
THEN...



GuyverAdvocacy

I wasn't also able to throw another l'ght ning bolt
TSK..
IT'S A SHIELD?

HIGH FREQUENCY SWORD!
No matter
Oh He absorbed my head beam!

NOW I WILL NOT BE ABLE TO USE THE HIGH FREQUENCY SWORD!
DAMN IT!

IDIOT!
DAMN YOU!

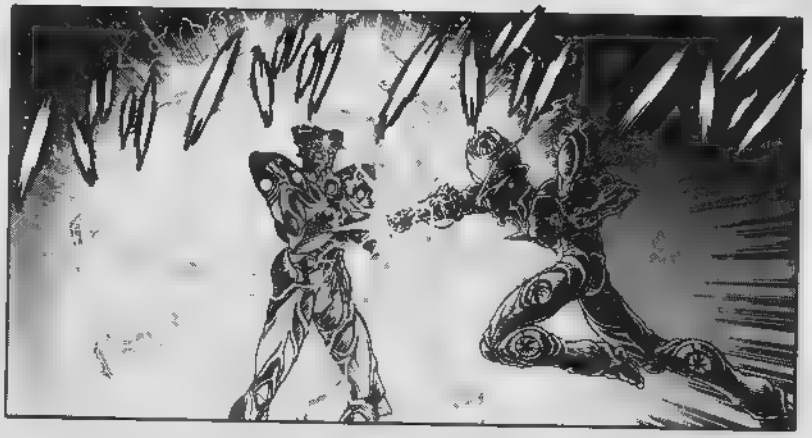
I HAVE ONE ATTACK LEFT!
URGH!

OH..
URGH...

In this condi tion you will not be able to ever destroy my shield. .
Not only the Barrier..
... But now you cannot even use that arm for any powerful attack, true?

Tsk Unfortunately for you know you have a reason to defend against me because your ability to electro-cute was sacrificed due to the energy used making that shie d

ARGH!



Really he is trying to do the 'mposs'b e
But if Gigantic can't be hit by a further lightning bolt, then he has no need to defend himself.
This battle... it seems it has arrived at a stalemate.
But at the same time Purgstall will surely have some critical damage... In a collision face to face he will not be able to resist the attack of Gigantic...
For how ong can the f sts of Gigant c manage to resist the burns of the shield?
Sti for how ong wi Purgstall manage to defend h mse f w th that shield?

... NOT EVEN YOU CAN USE THE LIGHTNING BOLT IF YOU DEFEND YOURSELF WITH THE BARRIER!
How-ever .
WHAT?

What?
. n our fight, getting ready for a real y contempt'ble trap.
You 'n- volved many innocent peop e...

... AT LEAST WITH YOU... I MUST MANAGE TO DEFEAT YOU WITH MY BARE HANDS!

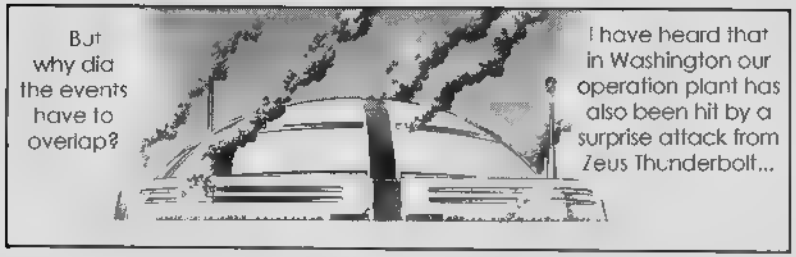
OTHER- WISE I WILL DIE TRYING!

... Do you really believe that you could succeed in destroying the shield of a zoalord with your bare hands?
told you that every attempt would be use ess.

?
At least with you

Meanwhi e, in the sky above the
islana chishima.

My SHIELD is about to to be de-stroyed!
WHAT.. IT IS NOT POS-SIBLE!
AAARGH!



But why did the events have to overlap?
I have heard that in Washington our operation plant has also been hit by a surprise attack from Zeus Thunderbolt...

I HAVE TO GO!
OPEN THE REAR DOOR!

Flying I will arrive at Tokyo within twenty minutes.
There's no more time
Eh?
B.. But..

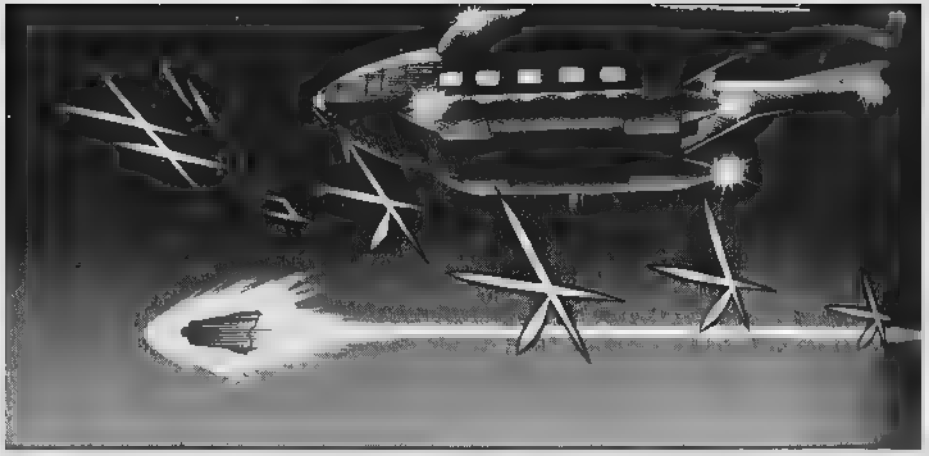
PURGSTALL IS FIGHTING AGAINST GIGANTIC?

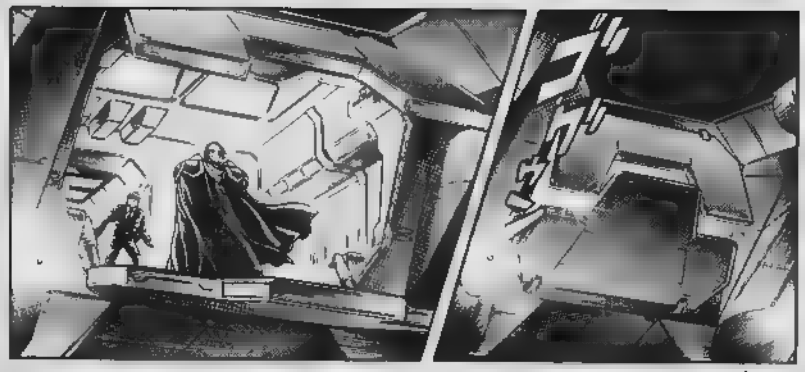
SO THEN? WHAT IS THE CURRENT SITUATION?
Y-yes!
We wanted to stop him, but..

YES... IT DISPLEASED ME TOO!
So we can't know what is happening?

Therefore
Because of the lightning attack used by Purgstall we experienced some interferences. Because of this we are not in a position to know the precise details of the situation

...Why would you act so hastily?
Purgstall





I PRAY YOU REMAIN HEALTHY AND SAFE UNTIL MY ARRIVAL!

THE SHIELD...
AAARGH!

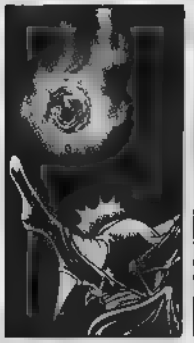
What dia he say?
WHAT?!



Things are taking a turn for the worse

WHA... WHAT IS THIS?

A Hyper zoanoid dis-gu'sed
As a fake Gi-gantic?
Does that mean this was all set up?

NOW YOUR DEFEAT IS CLEAR!
YOU LURED ME INTO RESORTING TO DESPICABLE MEANS, BUT YOU UNDERESTIMATED ME!

BUT... THAT WASN'T MY DOING...
?

You STOOPED TO INDISCRIMINATE TERRORISM...
... THANKS TO THAT HYPER ZOANOID DISGUISED AS A FAKE GIGANTIC?

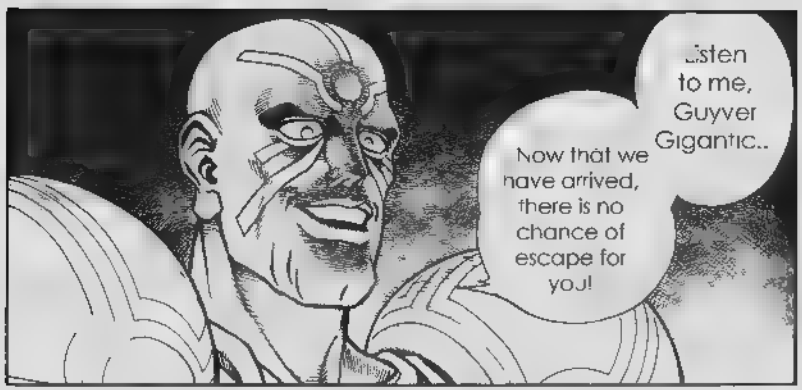
Yes . guess, but.
EH?



Listen to me, Guyver Gigantic..
Now that we have arrived, there is no chance of escape for you!

GET READY TO DIE!

Now Aptom is injured quite seriously. How can I overcome this really crucial moment?
It will still take a little more time to restore the amplifier crystals of my armour ..

Our time has come
I do not know what made you retract the Gigantic, but
OH!

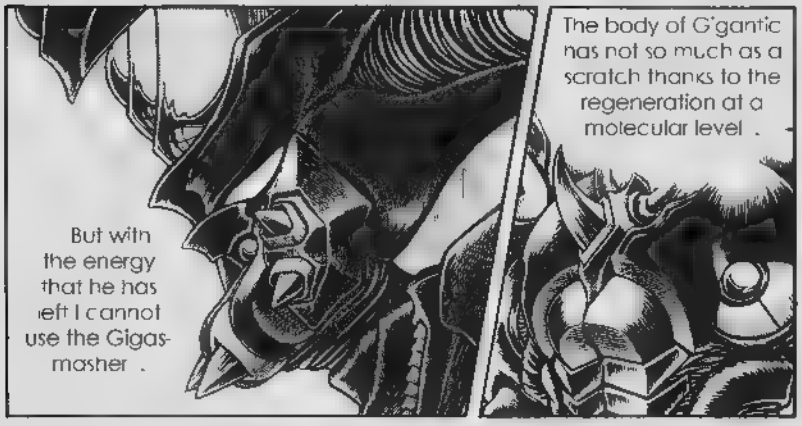
Fukamachi Today you showed a good dea of resistance but

Not much energy remains?
That Fukama chi seems to have con fronted a truly hostile oppo-nent



But with the energy that he has left I cannot use the Gigas-masher .
The body of G'gantic has not so much as a scratch thanks to the regeneration at a molecular level .
